## STYLE SWITCHER...

### Blake Lively

#### BLAKE DOES... BEACHY WAVES

Blake is the queen of effortlessly gorgeous tresses and boy do we envy her for it! These unkempt waves are perfect if you want a sexy summer do that doesn't look too done.

#### BLAKE DOES... THE CLASSIC UPDO

A slick updo will transform your look from day to night, plus it screams sophistication. This twisted style complements Blake's dress while cementing her status as a trendsetter.

#### BLAKE DOES... BIG CURLS

Blake opts for big, bouncy curls instead of her usual waves - and we love it! It seems that bigger really is better when it comes to full-on, red carpet glamour.
